Membership levels for New Zealand Federation of Image Consultants

There are three levels of membership of NZFIC: Student, Associate, and Full member. Each application is considered individually on its own merits and can be declined without reasons being given. In all cases, when a person first becomes a member, a joining fee of \$62.00 is due in addition to the amounts below.

Level 1 – Student member: \$100.00

A student member is one who is currently undergoing study, preferably in a field related to image consultancy. The student member must have proof of student registration. This level of membership is valid for one year only and does not qualify for voting on NZFIC matters.

A student member can

- Attend local, national and international meetings
- Receive a reduced rate for membership
- Receive a reduced rate for conference registration fees

Level 2 – Associate member: \$175.00

An Associate member is one who is not currently working as an image professional but who is in a related field such as hairdressing, beauty therapy, cosmetics, clothing design, fashion (retail or as a stylist), jewellery design, and shoe design. This level of membership does not qualify for voting on NZFIC matters.

An Associate member can

- Attend local, national and international meetings
- Receive a reduced rate for membership
- Receive a reduced rate for conference registration fees

Level 3 – Full member: \$258.75

A Full member of NZFIC is one who is working as an Image Professional or who has been a Student member or an Associate member and who now wishes to continue with full membership of the Federation. This level of membership is the only one eligible for voting on NZFIC matters.

Members will receive a Certificate of Membership at the appropriate level, an NZFIC badge as well as current information about the NZFIC such as a list of Board members with contact details, a calendar of events etc.
